

STOP FOR ME 2016 Pedestrian Safety Campaign

Location _____
 Date _____ Weather _____
 Time _____ Surveyor _____

Instructions: Please tally the number of drivers yielding per pedestrian crossing event. Mark every driver behavior for all vehicles in each traffic lane crossed. If a vehicle yields in every lane, Yes = 4, the "NO" yield column will contain total number of vehicles that did not yield for that crossing event.

Event No.	Driver Yield		Notes:
	Yes	No	
Example		 	Vehicle stopped on 4 lanes, 5 did not yield
